

What is the most important / valuable topic, area or issue, for us to cover during the day's activities?

- 1 Attendance monitoring in alt ed/adult ed environment
- 2 Financial & Marketing

- 3 Potential funding changes in adult ed due to the recent change in government
- 4 Steps to start the process of opening a French adult education program
Opportunities to expand our program offerings and extending partnerships for elearning for students abroad. As I am new to the role, I would also appreciate to learn how other boards are implementing their various Continuing and Adult Ed programs and sharing resources and costs amongst elementary, secondary, and adult and ESL programs
- 5
- 6 Retaining students, recruitment/advertising, timetabling,
- 7 Learning about other programs
- 8 stimulating enrolment numbers
I would be interested in knowing how different boards are using Lit/Num register from the Ministry of Ed.
- 9

- 10 criteria for mature student status and PLAR, flexible programming options
PLAR, Correspondence Course integrity and how Boards provide print-only
- 11 courses
- 12 Changes in funding, Changes in practice
- 13 Alternative schedules for students, Senior SAL, PLAR.
- 14 Funding. Registers and maintaining students
- 15 Registers, funding,
- 16 Finance/registers, scheduling, ...
- 17 The how-to of registers
PLAR is always valuable (but likely more @ CESBA in Dec.), programs outside of correspondence for adults to earn credits, registers, anything! Love the chance
- 18 to learn from others.
- 19 Funding
- 20 Resources available for Adult learners
